PROFESSIONAL EXPERIENCE

Marketing & Business Development Manager

Nov 2025 – Present

Durrani Group — Durrani Holiday Homes, Tycoon Real Estate, Nacravo & Fleetjet Transport | Dubai, UAE

- Contributed to scaling Durrani Holiday Homes' monthly portfolio revenue from **AED 504K to AED 1.67M** (AED 20M+ annualised run rate across a 60-property portfolio) through integrated marketing, distribution and commercial growth initiatives.
- Established the group's marketing function from the ground up across four business lines, owning strategy, demand generation, digital acquisition, CRM, distribution and commercial reporting, and leading cross-functional initiatives spanning reservations, revenue, operations, finance, agencies and technology vendors.
- Supported occupancy growth from approximately 45–52% to **89%** — ~AED 1,047 Average Daily Rate (ADR), AED 932 Revenue per Available Room (RevPAR) and 1,600+ sold nights per month — informing pricing, promotion and channel-mix decisions.
- Grew monthly direct-booking revenue **3.25×** to **AED 260K** through customer acquisition, CRM, email marketing and remarketing programmes, reducing dependence on commission-heavy channels.
- Reduced average cost per lead (CPL) by **66%**, from **AED 65 to AED 22**, while scaling paid search (PPC) and paid social acquisition to 200–400 qualified leads per month through campaign restructuring, audience optimisation and creative testing.
- Expanded distribution from approximately 5–6 channels to **50+ global OTA and demand channels** and developed **70+ B2B, wholesale, Global Distribution System (GDS), corporate-travel and travel-trade sources**, diversifying international demand.
- Managed **AED 30K+ in monthly marketing investment** spanning paid acquisition, CRM, content and digital growth across four business lines, allocating budget based on CPL, conversion and revenue performance.
- Extended the growth model across real estate, facility services and transport with segment-specific acquisition and commercial strategies, including scaling Nacravo to **AED 80K–90K average monthly revenue** during low season.
- Built AI-enabled marketing-automation and reporting workflows that replaced recurring manual commercial reporting, translating acquisition, occupancy and channel performance into senior-management recommendations on marketing investment, pricing and channel mix.

Cluster Marketing Coordinator

Mar 2022 – Nov 2025

Sharjah National Hotels — Oceanic Khorfakkan Resort & Spa, Marbella Resort, Hotel Holiday International & Nozol Al Rayaheen | Sharjah, UAE

- Led integrated campaign planning and execution across a **four-property hospitality portfolio** — 50+ campaigns annually spanning Google, Meta, CRM, social media marketing, influencer and partnership channels for rooms, F&B, weddings and seasonal demand.
- Generated approximately **5,000–6,000 qualified enquiries annually** through multi-channel lead-generation campaigns across staycations, room offers, F&B promotions and seasonal hospitality packages.
- Increased campaign-generated enquiries by **~35% year-on-year** through audience segmentation, creative testing, remarketing and property-specific optimisation.
- Led the group's Ramadan digital campaign, generating **2,200+ qualified enquiries** across four properties through integrated paid media, CRM and organic content.
- Built and executed CRM, email-marketing and remarketing programmes across a **35,000+ guest and prospect database**, contributing to 700+ repeat and remarketing-driven enquiries annually.
- Delivered 15+ influencer and UGC collaborations (~1.5M combined impressions) and secured **four strategic co-marketing partnerships** with Zomato, Sharaf DG, TravelPass and Travel Trends Magazine, extending exposure to an estimated 500K+ additional consumers.
